

# T.Rowe Price FEAL Resilience Roadmap

2014-2015

## Personal Resilience

- Creating mental resilience to deal with information overload
- Emotional resilience to deal with increasing levels of uncertainty and ambiguity
- Understanding how to replenish after stressful times

2015-2016

## Team Resilience

- Creating team connection
- Aligning expectations to minimize conflict
- Creating a team environment where people are achieving their very best

2016-2017

## Organisational / Member Resilience

- How to ensure each part of the organization is working alongside one another
- How to create a culture where people are authentic and take responsibility
- How to reinforce the vision so it supports the organisation
- What are the major stress factors facing members and how the fund can support them
- What tools can the fund can provide to encourage membership and also support members
